MEDIA ALERT

Quarterly Review: March 2010

(Honiara 13.07.10) - The Central Bank of Solomon Islands (CBSI) has released its first Quarterly Review Report for this year.

The report describes the first quarter of 2010 as favorable following contractions experienced in the country's overall production throughout the second half of 2009.

The country's economy has seen signs of recovery in the domestic economy, whilst at the same time, external sector conditions continue to provide a favorable environment for the country's exports.
