The successful applicant shall perform the following duties:

- a) Evaluate and document software problems / user requirements.
- b) Perform design and coding of the approved database systems.
- c) Assist in resolving database access and performance issues.
- d) Document in-house developed software / database systems.
- e) Maintaining/upgrading the current software / database applications.
- f) Assist in developing and maintaining of the Bank's website.
- g) Assist in providing technical assistance, support and advice to users.
- h) Perform other duties as may be required from time to time by the Senior Programmer and the Assistant Manager.

### **Qualification/ Requirements:**

- The applicant must have a Bachelor Degree in Computer Science or Information Systems or relevant Information Technology fields from a recognised Institution.
- Has good understanding and working knowledge in how to program in Java and PHP programming languages.
- Has good understanding and application of database management systems such as SQL and MS Access.

- Some experiences in designing and implementation of database systems will be essential.
- Applicants must not be more than 30 years old.

**Other Desired Skills:**

- Have good analytical and problem-solving skills.
- Has the ability to translate the user requirements to computer system/ database design specifications using flow charts or other design methodologies.
- Possess good technical documentation skills.
- Good interpersonal skill.
- Has Project Management skill.
- Must be honest, trustworthy and reliable.

**Terms and Conditions:**

The position is on Grade 3.1 of the CBSI salary structure. Normal conditions and services as stipulated in the Staff Instructions, Terms and Conditions of Service (SITCS) of the Bank shall apply to the successful applicant.

**Application:**

Applications must be submitted with Curriculum Vitae, certified copies of academic qualification, transcript of academic grades and credits, and reference letters from 2 persons with respectable standing in the Community.

All applications shall reach the Central Bank not later than **4:30pm** on **6<sup>th</sup> March, 2009**.

All applications shall be addressed to: **The Secretary, Central Bank of Solomon Islands, P.O. Box 634, Honiara, Solomon Islands.**
