Please note:

1. Treasury Bills are issued in accordance with the prospectus available on the CBSI website at: <http://www.cbsi.com.sb/monetary-policy/market-operations/treasury-bills/>.
2. The official announcements of results for each of these tenders will be available on the CBSI website at: <http://www.cbsi.com.sb/monetary-policy/market-operations/treasury-bills/>.
3. In the event of a tender being undersubscribed, tender volumes in subsequent weeks may be revised. Where these revisions are material, an amendment to the issue schedule will be notified via the CBSI website.
4. Investors are at liberty to bid at maturity terms other than those being targeted and all such bids will be actively considered by the Treasury Bills Tender committee.
5. In the event that no competitive bids for 91 day Treasury Bills are accepted, participants in non-competitive tenders may be allotted stock at the WAY (and with matching term to maturity) of competitive accepted bids at the nearest available maturity (typically this will be 56 days).

As a means of providing greater certainty for investors, Debt Management Unit (DMU) in the Ministry of Finance and Treasury (MOFT) will provide regular updates of forthcoming Treasury Bill Tenders with information on the terms and volumes being targeted.

An issuance schedule for the month of February 2017 will be made available in advance of the first scheduled tender for that month. All queries relating to this matter should be directed to Tobais Bule of the Debt Management Unit in the Ministry of Finance and Treasury by phoning 28170.
