4. Bid parameters

4.1. Acceptable Bids

Allocation of successful bids in the auction shall be made by the MoFT and CBSI following the close of bidding. Each successful bidder shall pay the yield he/she offered. Successful bids shall be listed in ascending order, starting with the lowest yield, and down to the yield that exhausts the amount offered. Bids will only be accepted if submitted in accordance with this prospectus. The MoFT reserves the right not to accept any bid above rates, which may or may not be released in the offering announcement.

4.2. Submission of Bids

Registered bidders must submit their bids directly to the CBSI either through an electronic platform or placed in a sealed box before the closing date. Bidders must meet the following tenor, volume, and basic requirements.

4.2.1. Applicable tenor

Competitive tender Bids may be submitted for any bond tenor offered in a respective tender.

4.2.2. Bid volume minimum and multiples

Each **Non-competitive Tender** Bid must be for a minimum Face Value volume of SBD \$10,000 and in multiples of SBD \$1,000 thereafter.

Each **Competitive Tender** Bid must be for a minimum Face Value volume of SBD \$100,000 and in multiples of SBD \$10,000 thereafter.

These volume constraints apply to all Bond maturities offered by SIG.

4.2.3. Bid basis

Each Competitive Tender Bid must be submitted on a percentage yield basis and must be expressed in two (2) decimal places (e.g. 3.01%, 2.31%, and 1.15%). Any integer that is included in a bid Yield, which is beyond two decimal places, will be disregarded.

4.3. Submitting multiple tender Bids

A Bidder may submit a Bid on the types of instrument available in the current bond issuance at any one tender. Further, a Bidder may submit multiple Bids, but may only submit one Bid, with respect to any one tender.

4.4. Submitting a bid

4.4.5. Modifying a submitted Bid

Once submitted, a bond Tender Bid Form' cannot be modified by a Bidder.

4.5. Allotting Bonds

4.5.1. Responsibility for allotting Bonds

A bond will be allotted by the Bond Tender Committee in accordance with this prospectus.

The Bond Tender Committee reserves the right to allot a Bond to any Bidder for the full volume bid, or any part thereof, and to reject any Bid or part thereof.

The Bond Tender Committee also reserves the right to allot a total volume of Bond in excess of, or below, the total target Face Value volume range indicated in the bond issuance notice of bond tenders’.

4.5.2. Allotting competitive tender bids

Competitive tender Bids will be allotted in ascending order of Yield bid. That is, from the lowest yield bid to the highest Yield bid. Bonds will be allotted at the Yields bid.

4.5.3. Notice of allotment

Bidders that have been allotted bonds, either in full or part thereof, will be notified by CBSI, through any communication means that CBSI sees as being practically fit, by close of business on the same day the auction results are announced.

5. Settlement

5.1. Settlement due date

Any bidder agrees through submission of a bid to pay the settlement amount for successful bids awarded to them in the auction. At the closing, the remaining documents must be signed by the relevant parties before the bonds are transferred from the issuer to the bondholders and the payment for the bonds is transferred from the bondholder to the issuer.

5.2. Bond price

The semi-annual bond price shall be calculated based on the formula provided below;

$$P = \sum_{t=1}^{2n} \frac{C_t/2}{(1 + \frac{y}{2})^t} + \frac{M}{(1 + y/2)^{2n}}$$

Where:

- **P** = Semi-annual bond price
- **n** = Period which takes values from 0 to the nth period till the cash flows ending period
- **C_t** = Coupon payment in the nth period
- **y** = interest rate or required yield
- **M** = Par Value of the bond

Note:

- Where the required yield is higher than the coupon rate, the bond price will be at discount.
- Where the required yield is lower than the coupon rate, the bond price will be at a premium.
- Where the required yield equals the coupon rate, the bond price will be at par value.

5.3. Settlement intentions

Bidders are required to indicate their settlement intentions on the ‘bond’ Tender Bid Form’ when submitting their bid.

6. Repayment

6.1. Repayment amount

Bonds will be repaid at Face Value to the Bond Holder.

6.2. Repayment date

Bonds will be repaid on a semi-annual basis until maturity. The bond semi-annual principal repayment begins six (6) months after the grace period expires.

If the maturity of a bond or interest and principal repayment falls on a non-working day, payment will be effected on the following working day by close of business. No additional interest is expected to be paid in such circumstances.

6.3. Methods of repayment

CBSI will repay Bonds to Bond Holders by the methods nominated in the Tender Bid Form.
